www.WorldsFinestFundraising.com

Dear Parents, Friends, and Relatives of our fine School:

We are pleased to present the World's Finest Chocolate Fundraiser. It's the best in fundraising and a proven and successful way to help fund our school's financial objectives for the year.

The Fund Shop contains 5 different \$1.00 Bars, and 2 different \$1.00 Bags. They were made especially for our school and each case carries our school name and a wonderful multiple coupon opportunity for our families (see above). It's a free one-year membership for tons of valuable coupons in our community you can use for a year!

Please get family members to pitch in and sell - we strongly discourage student door-to door solicitation. Return the permission slip (below) by **March 3rd** and receive your first case the next week. As soon as the first case is sold, please return the money to the school. Put \$60 for each case in a sealed envelope with your child's name. **Please convert any coins to bills**. You will then be entitled to receive an additional case to sell. **If you'd like an additional case, please send a note to the school with your child and a new case will be sent home**. We will allow for a family to have no more than 4 cases out at a time. Once money is turned in, you may receive additional cases.

- * Please make every effort to sell the candy you take out, or return it before we end **April 6**.
- * Submit your participation slip to your homeroom teacher.
- * We will accept checks from parents of students ONLY, and put your child's name on the memo line. Checks and money orders should be payable to Carney PTA. Please convert coins to BILLS.

*****PRIZES*****

Drawings: Turn in your permission slip for a chance to win the 5-lb Chocolate Bar.

We want to help. Please give us one case of 60 bars for starters. I will be responsible for all my family takes out, and I will return all money by the end of the sale. I realize that unmet obligations will be dealt with according to Baltimore County Board of Education policy, such as unmet library fines.
